

GROSS FEE INCOME AFFIDAVIT – DUAL SPECIALIST

This form must be submitted by Applicants for membership in SIOR and is valid for applications submitted to SIOR Headquarters through December 31, 2026.

SIOR evaluates volume-of-business based on **Gross Fee Income** (GFI). GFI is defined as the amount that the **APPLICANT'S FIRM RECEIVES** (before internal splits) that is directly attributable to the Applicant.

GFI levels are set by local Chapters for individual markets. Please refer to the GFI Requirements by Market [here](#) or contact the Manager of Admissions you have been assigned.

All Applicants must meet the following criteria and document it on the attached form:

1. Applicants must submit the most recent 48 months of GFI. SIOR will evaluate an Applicant's GFI based on the three best 12-month periods out of these four years. Please note that we are unable to accept GFI figures based on calendar year breakdowns, except in January.

Example: If an application is submitted in July, the 12-month periods would be July 1 - June 30.

2. Dual Specialist applicants must meet the combined total of the GFI requirement of each specialty type for 3 of the last 4 years. Additionally, they must exceed 70% of the Office Specialist GFI requirement for their local market for 3 of the last 4 years, and 70% of the Industrial Specialist GFI requirement for their local market for 3 of last 4 years

For example: If the local GFI requirement for Industrial Specialist is \$400,000, and requirement for Office Specialist is \$300,000, an applicant's GFI must exceed \$700,000 for 3 of the last 4 years. Additionally, the applicant's GFI from industrial transactions must exceed \$280,000 for 3 of the last 4 years, and the applicant's GFI for office transactions must exceed \$210,000 for 3 of the last 4 years.

If a transaction is a *referral*, it should be calculated as follows:

Gross Fee	\$100,000
Co Brokerage to Outside	\$50,000 (A)*
Gross Fee to Applicant's Firm	\$50,000
Gross Fee Income to Outside Broker (Referral)	\$10,000 (B)*
Adjusted Gross Fee to Applicant's Firm	\$40,000
Gross Fee Income to Applicant A (30%)	\$12,000 (C)*
Gross Fee Income to Applicant B (70%)	\$28,000 (D)*

* For this case, the assumption is that there are two brokers partnering together on a deal with a 70/30 split.

** For the above scenario, there could potentially be up to four applicants claiming GFI from this transaction: (A) The brokers on the other side of the deal, (B) The outside broker who received the referral fee, (C) Applicant A, and (D) Applicant B.
